ORDER DIRECTING THE SUBMISSION OF  
SUPPLEMENTAL BRIEFS

(Issued July 11, 2003)

1. On June 30, 2003, Florida Municipal Power Agency (FMPA)<sup>1</sup> filed a motion requesting that the Commission direct it and Florida Power & Light Company (FP&L) to file further pleadings in this proceeding.

2. While the Commission does not believe it necessary to reopen the record, we do believe that, given the length of this proceeding, it would be helpful to our consideration to permit the parties to file supplemental initial and reply briefs informing us of events that have occurred since the record closed.<sup>2</sup> Accordingly, we will direct the parties to submit supplemental initial briefs within 20 days of the date of this order, and supplemental reply briefs within ten days of the date for filing supplemental initial briefs.

The Commission orders:

(A) FP&L and FMPA are hereby directed to file supplemental initial briefs within 20 days of the date of this order.

(B) FP&L and FMPA are hereby directed to file supplemental reply briefs within ten days of the date supplemental initial briefs are due.

By the Commission.
